

60

A technical drawing of a rectangular louvered vent. The drawing shows a perspective view of the vent with five horizontal slats. The slats are slightly curved and are held in place by a frame. Two circular fasteners are visible on the right side of the frame. A dimension line with arrows at both ends is positioned above the vent, indicating a height of 60. Another dimension line with arrows at both ends is positioned below the vent, indicating a width of 390.
